

HOMEWORK OR EXTRA CREDIT QUESTIONNAIRE

If you would like to give students a chance to learn directly from the Greatest Generation but have limited class time, students with computers and internet access may access all the videos and the Virtual Escape Room online at iWitnessediRemember.jimdo.com

It will take students about 45 minutes to watch all three videos, and another 20-25 minutes to solve the escape room. To the extent helpful, here are some questions that the videos answer.

Who was the highest ranked officer featured in the videos? What character trait did he think was most important?

In what German city did the U.S. Army provide someone too much food? Why did they provide all that food?

Who was the first American woman to visit the Dachau concentration camp?

What did General Patton want to get to his soldiers for Christmas in 1944?

What did some soldiers use to go fishing?

What did the 82nd Airborne give to survivors of Wöbbelin concentration camp?

What did residents of Hawaii have to do at night after Pearl Harbor?
